● With Man MOT it's easy to get your health questions answered.

Men, you can ask a GP anything you like at [manmot.co.uk](http://manmot.co.uk) by text chat or by email.

No appointment and it's anonymous and confidential.

● Now you don't need to display your tax disc on your car, do local men a favour and put this Man MOT disc there instead.

Man MOT is run by the Men's Health Forum and funded by the Department of Health.
